Project Details

This organization has spent the better part of the past two years getting to know homeless people in the area and serving them in different ways, most notable, serving them meals. Volunteers can:

- Cook and bring an entrée, dessert or side dish
- Assist with set up and clean up of the meal
- Help manage the clothing and hygiene area
- Just visit with those who come each week.

Volunteers under the age of 18 should be accompanied by an adult.
