

National Honor Society Application Info

The NHS application process for eligible sophomore and juniors will take place in **March**.
To be eligible to apply, you must have a GPA of at least 3.75.

Student Applications

Applicants for National Honor Society membership will be evaluated according to the following criteria.

- **Scholarship – Cumulative Grade point Average:**

The following points are awarded based on your grade point average. GPA will NOT be rounded!

<u>GPA</u>	<u>Points</u>	<u>GPA</u>	<u>Points</u>
3.75	2	4.2	7
3.8	3	4.3	8
3.9	4	4.4	9
4.0	5	4.5+	10
4.1	6		

- **Leadership:** Leadership positions in school, community or religious organization you have held while you have been in high school. For community and religious organizations, please provide documentation. One point per year will be given for each leadership role.
- **Honors/Award:** Honors and/or awards you have received as a result of leadership, character or service while you have been in high school. This does not include Renaissance or any other award based solely on GPA. Documentation for awards other than from OHS must be provided. One point will be given for each award received.
- **Community Service:** Organizations for which you volunteer more than 4 hours per month on a continuing basis while you were in high school. If these hours are for a religious institution list only those roles outside of normal religious participation. Please provide documentation. One point per year will be given for each organization.
- **Community Service:** List community service events in which you participated. Please provide documentation. Use an additional sheet if necessary. (1/2 point per event ***Limit of 3 points***)
- **Community Participation:** clubs and or organizations to which you belong while in high school. Please provide documentation for clubs or organizations outside of OHS. (1/2 point per club /organization per year. ***Limit of 3 points***)
- **Athletic Participation (Including Band/Spirit Line):** List the sports in which you participate. Qualifying sports are those which require more than 3 practices per week for duration of at least 9 weeks. Please provide documentation for sports outside of OHS (1/2 point per sport/season per year. ***Limit of 3 points***)

A successful junior candidate **must** have a minimum of thirteen points to be accepted; a sophomore **must** have a minimum of ten points to be accepted.
