Introductions

John Zeng

Hello everyone!

My name is John, the NHS President, and I'm absolutely stoked for all the contributions we'll make in our school and communities this year. The board has already been working on creating new ideas and programs for our chapter; it'll be a great year!

I spend a lot of my time at school being involved in different clubs, but in my free time, I love playing pickleball, going to different coffee shops, and experiencing new things with friends. I hope to get to know more of you, as we embark on volunteering together.
